J. B. GREENE, PRINCIPAL

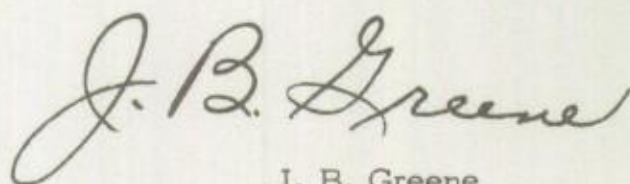

May 25, 1959

To the Seniors of 1959:

As you leave the halls of Northeast for the last time, you are filled with mixed emotions. You have worked many years to attain graduation; therefore, it is a most happy time. Yet, there is sorrow in leaving, for yours are the familiar faces which we who remain behind shall truly miss in the hallways and classrooms of Northeast High in coming years.

I hope that in these school years you have established the footing for success, for you must now go out and take your place among the myriad opportunities of a fast-moving adult world. I wish to extend my sincere congratulations and best wishes to each and every one of you.

Sincerely,

J. B. Greene

MELVIN W. BARNHART
SUPERINTENDENT

To the Seniors and Students of Northeast:

To present accurately and adequately the academic and non-academic phases of life at Northeast, to present the greatest number of students and activities than ever before pictured, and to display content in the most attractive manner—all of these combined to form our goal for the '59 *Nordlys*. From this wedding of the best in purpose, then, has our current theme, "The Many Faces of Northeast High," been born.

In attempting to promote this idea, the staff has added pictures of more students engaged in more activities, a new multiple-picture beauty section, and sparkling artistic sketches throughout.

Though keenly aware of its responsibilities in covering the activities to each student's satisfaction, the staff must acknowledge the fact that some late spring events which occurred after the *Nordlys* went to press have not been included, a fact which we sincerely regret.

To the students who so patiently waited in line to have their pictures made, to the faculty, and especially to the staff members who hurried through the halls to Room 211 throughout the year goes the credit for a job well done. All of you made the 1958-59 *Nordlys* possible. Thank you!

To all those who enter the doors of Northeast High School seeking knowledge, and who later pass through those same doors into broader fields of higher knowledge and richer experiences, we humbly dedicate our 1959 *Nordlys*. Its theme, "The Many Faces of Northeast," was especially selected as most appropriate for picturing you studying in your classes, excelling in your sports, winning coveted honors, engaging in your many activities, and just being yourselves! Certainly you, the student body, are a most important face, for without you there would be no school.

Principal

Mr. Greene is a man of unfailing kindness and generosity. He has given us an inestimable amount of his time, and has worked for and with the students to better Northeast.

He has four daughters, Virginia, Jane, Judy, and Barbara. Virginia and Jane are both graduates of Northeast, former Norket Presidents, and Girls of the Month. Virginia is now teaching kindergarten, and Jane is Executive Secretary of the Junior Chamber of Commerce. Judy is in the seventh grade at Harding, and Barbara is in the sixth grade at Edgemere.

Before coming to Northeast, Mr. Greene was Vice-Principal at Harding and a teacher of Mathematics.

He has a Bachelor of Arts degree from Oklahoma City University and a Master of Arts degree from Columbia University.

Vice-Principal

Mr. Spangler, our vice-principal, is a great favorite at Northeast because of his friendliness and humor. He has been with us since 1939. In the Air Force for fifteen years, he has served in World War II and in the Korean War.

He has one son, Kent, a graduate of Northeast, who is now married and attending Oklahoma University.

He holds a Bachelor of Arts degree and a Master's Degree in Educational Administration from the University of Oklahoma.

Many New Faces Among The

These teachers engage in lively discussion. It seems that Mr. Gordon has just made his point.

This seems to be the year for new teachers. Among the many new faces added to the faculty were Mrs. Biles, Mrs. Alexanders, Miss Humble, Miss Fees, Mr. Potts, Mr. Lower, and Mr. Nutt.

Teachers were not the only additions to Northeast. There were new classes too! A course in General Languages, a one-semester course offered to eighth grade pupils, is an introductory course to foreign language, and includes six weeks of French, six weeks of Spanish, and six weeks of Latin. It is designed to give students an opportunity to decide whether they wish to make further study of foreign language. Offered also to the eighth grade is Junior Business Training, which is also a one-semester course. It includes elementary book-keeping and accounting, filing, use of business forms, and the writing of business letters.

Other new classes included music harmony, math analysis, and zoology.

Faculty This Year

Something new has been added this year: classes by T.V.!

Homework is sent to the T.V. teacher, is graded, and is returned to the students. Pupils receive two report cards! - one from their T.V. teacher and one from their classroom teacher.

T.V. classes at Northeast include math analysis, chemistry, science, history, physics, and algebra.

Seniors . . .

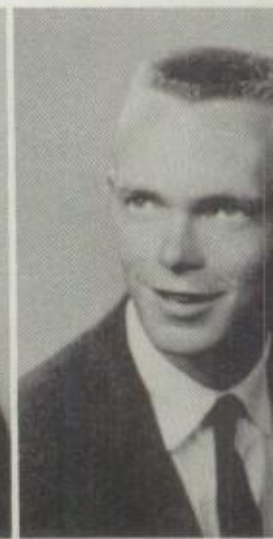

Seniors '59—Will These Be

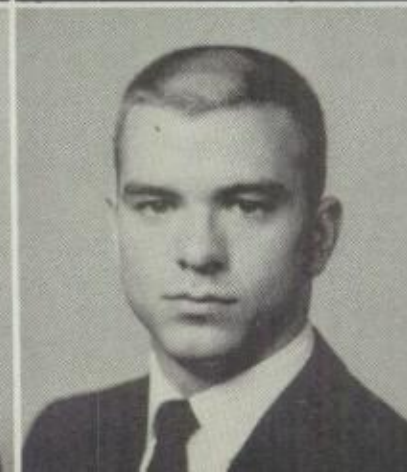

The greatest thrill in the life of every Northeast student is to say, "I am a Senior." This is echoed by some two hundred twenty-five seniors this year. Throughout the school year, the seniors participate in many special activities including aptitude tests and scholarship qualifying tests. Election of the senior class officers is one of the highlights of the fall activities. Ordering graduation announcements, electing graduation speakers, fitting caps and gowns, and preparing for the senior breakfast and graduation occupy most of the seniors' time in the spring. Class sponsor Miss Snedaker and senior counselor Mr. Krueger aid the seniors in carrying out their activities. The senior class assembly, with every Northeast senior participating in some way, brings down the curtain on the scenes leading up to graduation. With graduation, we who were once seniors take our place among the many Northeast alumni.

Senior class officers: Standing: Jack Singley, President; Denny Tomlin, Vice-President; Seated: Cloetta Grimes, Secretary; Sharry Hansen, Treasurer.

Classes

By The Time We Are Juniors

Almost graduates! The thrill of being seniors is almost here. But the fun of being juniors will never be forgotten.

Being able to make sophomore girls pledge was one of the highlights of the first semester.

Seeing the boys from our class take part in sports was a proud moment also.

Our biggest thrill of the year was going to the Junior-Senior Prom.

It's been work and it's been fun, and now everyone is looking forward to his senior year.

Flash! Junior-Senior Prom big success because of hard work and planning put in by junior class officers: Lu Southerland, Vice-President; George Vaughn, Treasurer; Larry Burke, President; and Judy Croak, Secretary.

How May Sophomores Be Identified?

Scared? Um-hum! But, it didn't take the sophomore class long to discover that senior high wasn't another horror show. Through the many activities, everyone soon knew each other and became close friends.

Do you rate high in scholarship, character, leadership, service, and citizenship? These, in addition to a grade average of 4.3, are the basic qualities to become eligible for the Honor Society.

Arkandre, Northeast's chapter of the National Honor Society, has 80 to 100 active members each year, but only juniors and seniors are termed active voting members. Sophomores are probationary mem-

bers who may attend the meetings but can take no part in the voting.

The Honor Society not only gives special recognition to those who stand high in the above qualities, but at the end of each year a boy and a girl whose services to the school have been outstanding are chosen by the members, and at the awards assembly each receives ten dollars.

Those who best know youth believe in youth, in the ideas of youth, and in the honor of youth. Magnificent buildings and splendid equipment attract the taxpayer's confidence in the secondary-school students. Surely then, with an avowed purpose of promoting the aims of this society, the National Junior Honor Society is amply justified to other desired purposes of secondary education.

The officers for this year pictured at left are 1st-semester President, Ronnie Pyle; Vice-President, Jimmy Burke; Secretary, Nancy Wilson; Treasurer, Christy Griffin. 2nd semester President, Perry Taaca, Vice-President, Bob Townley; Secretary, Kay McConathy; Treasurer, Tip Sabin. New Traditions

FLORIDA BOUND! This goal was reached by long hours of labor as hard-working students turned salesmen and workmen and sold shampoo during a work-day in which everyone took part. The conference, attended by the first-semester officers, was the annual meeting of the Southern Association of Student Councils. The officers returned home full of new ideas to improve Northeast.

After-the-game mixers at the Northeast Center with dancing, topped off by french fries and sandwiches, were an example of the more successful projects.

Each year the student council sponsors one social activity. This year's HOWDY HOP was one of the best of all times. Students and teachers alike turned out to see the crowning of the friendliest boy and girl.

A new policy in elections for second semester helped to improve both elections and school activities. Candidates for the election were made to run on a definite platform, thereby enabling the students to select the best possible person.

The student council and student body have set ideals and traditions for future Northeast students to uphold.

Getting ready for the Yuletide season!

There may be a shortage of teachers today, but from the number of students taking part in the Future Teachers' Club, it does not look like it will be so tomorrow.

First Aid First, Tomorrow Nurses

Head hurt? Eyes sting? Bones ache? Stomach upset? If so, maybe our Future Nurses could help. Debate Has Second Year

Though still in its infancy this second year, the Debate group is beginning to thrust prominently its collective faces into the heated discussion that molds great orators.

Mr. Thomas

Nordlys for '58-'59 is the combination of all the work and fun of the yearbook class.

Meet that deadline! This has been the byword in the minds of all staff members as they struggle to get layouts, copy, and pictures in on time.

Time out! For fun and enjoyment as time came for the annual *Nordlys* King and Queen

contest. The staff selected three girls and three boys to compete for the honor. The student body chose the lucky winners.

Thank heaven! Copy in, pictures in, deadlines met, the *Nordlys* staff stepped back to observe a job well done and a satisfied student body.

A Nose for News! That's what all members of the *Norseman Scroll* Staff need as they peep around corners looking for student news and views.

Get Those Ads! Since the *Scroll* is self-supporting, it is important for ads to come in on schedule. Staff members who turned advertising personnel are always on the lookout for ads.

Howdy! Work is shoved aside, ads forgotten, as the time for Mr. Howdy and Miss Hello comes around again. Students and teachers alike look forward to the annual selection of the friendliest boy and girl in the senior high.

Congratulations! For a job that took a lot of work, but has satisfying results.

Y-Teen Sponsor

These clothes will help needy people everywhere.

Service is their goal with satisfaction for a reward. Service along with fun makes Northeast's Y-Teen chapter one of the most active organizations in the school as well as in the city. Winning the gold trophy for having the largest active membership in the City was one of the greatest accomplishments of Northeast's Y-Teens in many years. Members spent many pleasurable hours gathering old clothes for the needy and singing Christmas carols to bring Christmas joy to others. Along with work comes play, and the annual Y-Teen Snow Ball which was held in the Civic Room of the Biltmore highlighted the Christmas season. The dance was sponsored by the sale of Christmas and all-occasion cards, the main money-raising project of Y-Teens.

Rock and Roll Here!!

Do - Re - Mi - Fa - So - La - Ti - Do! sing the "Northeast Choir" students throughout the year at different festivities over the state.

Besides participating in these activities, they also aid in making the assemblies of Northeast High School a continuing success.

In its spare time, the choir does many organizations a tremendous favor by having its recently formed talent club provide entertainment at their many programs. Yes, you may see them dancing, singing, or even doing comedies--but, no matter what it is, they always manage to do it well, ably directed by Miss Smith.

Strike Up The Band

Under the direction of Drum Major Anita Rickey and Director Nat White, the Northeast highschool band has had a busy and successful year. Playing at football games, assemblies, concerts, and tournaments has been only a portion of the many things done. Many new trappings were added to the band this year, such as white belts, white shoes, new uniforms, and a shattering of tradition with the adding of two mascots to the twirler personnel. A really snappy band earned student and teacher admiration alike.

And The Band Played On

Starting early in the morning and working late in the evening is no new chore for band members. Many times they can be found rehearsing for an upcoming show. Pep and enthusiasm runs high and this is obvious in their playing as well as in their marching. Especially for pep assemblies, first chair members from every section have formed a pep band under the direction of student director Hugh Bryant. They do this on their own time with no credit involved. They also serve as background for the twirler acts. A special first was added this year when all band members made a request performance on Oklahoma Bandstand. . . only one of the many honors our great band has earned for Northeast this year.

Hugh Bryant

Face The Music

Giving freely of their time and effort, pep band members have really made listening to them a pleasure.

Working long and hard has really paid off for marching band members, pictured here at homecoming.

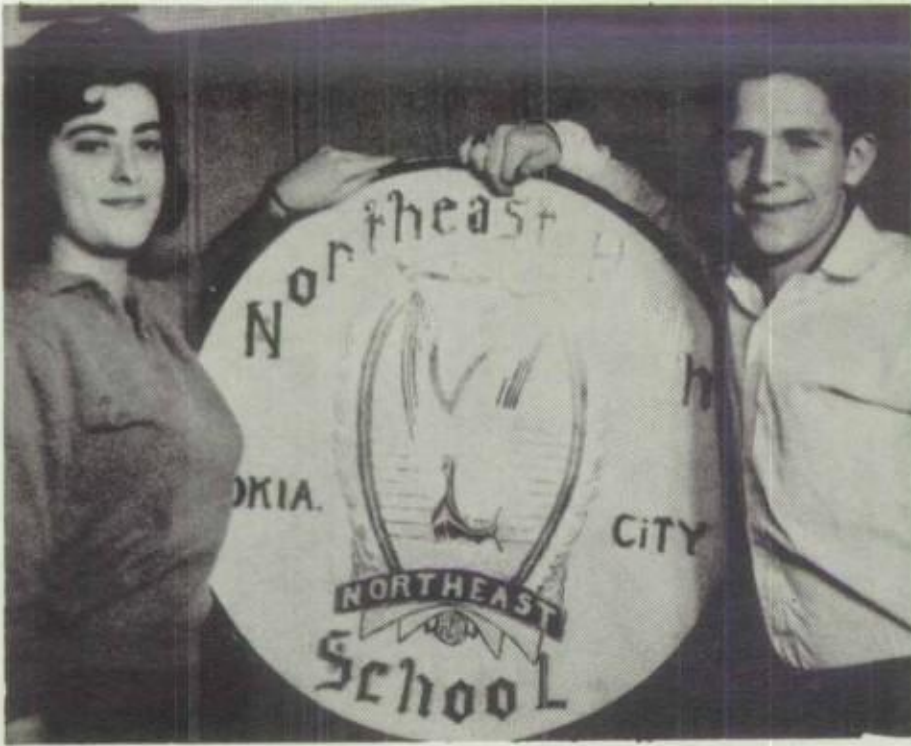

Toil, trouble, and long practice hours consume the better part of a band member's life. Do they mind? Certainly not! The feeling of a job well done and service to their school makes it more than worthwhile.

Music! Music! Music!

Donna Bowers and John Flickinger made a striking band queen and escort.

Band officers for this year were: Ben Kline, Vice President; David Wilson, President; Grace O'Steen, Secretary; and Hugh Bryant, Asst. Band Director.

For the first time in the history of Northeast, band seniors were given a graduation party. This was for the seniors, their dates, parents, and band officials. It was held at the Holiday Inn. Dinner and dancing came after the ceremony for the seniors.

Norkets Cheer

Have you ever noticed the peppiest section at the games? Why, it's the Norket section, of course; always there, full of pep and spirit to back our team.

As the school year begins so does Norket pledging. The traditional pinning of the maroon and gray ribbons is one of the highlights of the first semester.

Each year the Norkets have their annual carnival. Cowgirls, games of skill, and good chow helped add to the western theme this year as the Northeast gym became the Bar NHS Ranch.

Norkets also have annual football and basketball parties. These parties are to honor the boys who take part in those sports.

With their other activities this year, which included the Pancake Platter, a paper drive, candy sale, and a Valentine dance, Norkets were kept busy.

Yeah MAN!

And how! Northeast does have quite a bit of school spirit. And, our 1958-59 cheerleaders may have more than a minor part to play in their roles as leaders in instilling school spirit throughout the student body.

When the new year was opened, the students of N.H.S. were greeted by some very pronounced changes in cheerleading personnel and in the general format of the yells as well. Last summer six peppy girls attended a clinic at Oklahoma University. Here they were taught how to change all their old yells, promote school spirit, make pep assemblies more interesting, and most of all—how to just stay together and know when to cheer.

Miss Wilson, the cheerleaders' sponsor, has been a great help in her coaching from the sidelines. She often trudged to school at an early hour so the cheerleaders could practice before that last bell rang to signal the start of classes.

Alternates Shirley Richart and Judy Vander-slice take over.

“Who’s Going To Win?”

Attend the Junior High games? If so, six darling cheerleaders yelling at the top of their lungs were probably noticed cheering their boys on to victory!

These were Northeast High School's Junior High Cheerleaders. And, they truly did a top-rate job. After many hours of practice, these girls were finally ready for an exciting year of pep rallies, pep assemblies, games, and creating enthusiasm for Northeast.

Miss Smith has helped these girls greatly in planning their activities. We know they are all saying, “Thanks!”

“Vikings!!” Say These Vikettes!

The Vikettes of 1958-59 are the first to have a really organized Junior High pep club. Their new merit system keeps everyone on her toes and active in all activities of the club.

Other plans promoted by the officers were a football party honoring Junior High football boys, a coke party for the initiation of Vikette new members and officers, and a spring dance. These officers were: Margaret Conley, Sgt. at Arms; Debbie Downing, Treas.; Kay McConathy, Pres.; Karen Joyner, Sec.; Jan Stapp, Sgt. at Arms; and, Lynn Hudson, Vice Pres. (not pictured).

Miss Terry, Mrs. Davison, Mrs. Neilsen are sponsors.

Sports

The starting team...an awesome sight to Northeast's opponents.

Yea Team! We Want a Touchdown!

Those are the cheers that will echo always in the hearts of those who will remember our 1958 season as one of alternating hopes and disappointments.

The Vikings sailed through their first four games undefeated. When Grant, who was rated sixth in the state, fell under the fighting spirit of the Vikings, 16-6, Northeast was well on the

way to a conference crown.

However, Southeast and Harding handed the Vikings their only two conference defeats. Northwest and McGuinnis High dealt out our only other defeats. Nevertheless, Northeast finished the season third in the conference--a place well fought for and well earned.

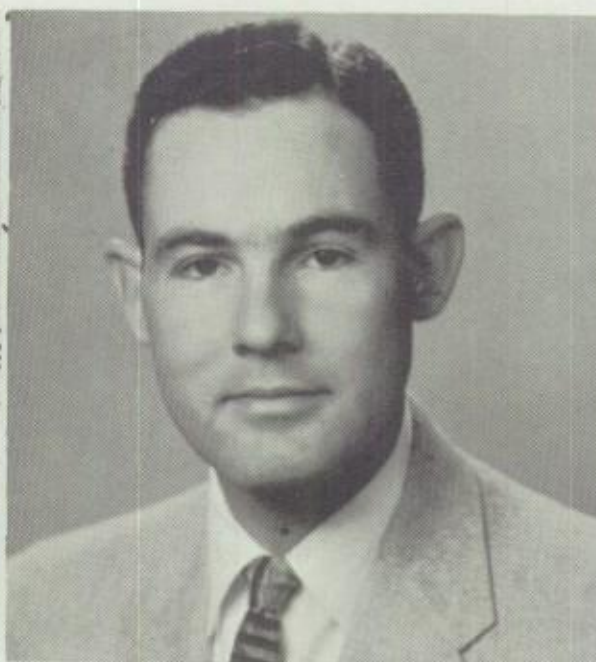

After a 5-yard gain, Howard Armer is about to be dropped by a Northwest opponent.

Cagers '59

Northeast's "A" team cagers experienced a season of bad breaks with last-minute losses. Seven of these were by only two points, which, though heartbreaking, were exciting. Five more games were added to form a twelve-game losing streak. Through it all, even though the record was low, sportsmanship, school spirit, and enthusiasm were high.

Northeast avenges an earlier Central loss as helpless defenders watch.

Puckett and Frazier battle Harding "A" teamers for loose ball.

Jerald Cox gets unexpected assist from unidentified Harding "B" team player.

Dear Diary:

SEPTEMBER, 1958

- 2: Today was the first day of my last year in highschool. Where has the time gone?
- 4: Had our first Y-Teen meeting today. Can hardly wait until the Bermuda shorts party Sunday. Guess all the new members are thrilled.
- 6: Election of Unified Studies officers - was happy to get vice president!
- 9: Finally got the school "Yell Books" off the press. We've got lots of new yells, and everyone likes them. September 11th is the Round-Robin game. Wonder who will win?
- 11: Round Robin was played tonight - we played on the East side. Good to be on the winning team.
- 12: First pep assembly! Students were charged by a new yell. We'll never forget "Give Me The Beat!"
- 13: Sure was exciting tonight when we beat John Marshall in our first football game. Started off with a honk parade. Great fun! It was sad, too, for this was the first game of our last year. Had a dance after the game - the first of many to follow. The Norket P.M.'s are so scared they won't even come to the dances!
- 15: Ordered my *Scroll* subscription this morning. It'll save time and work for everyone. Today was the first Horizon Club meeting. Submitted my application for a lunch permit.
- 16: Received my appointment for my Senior pictures to be taken. It's all so exciting!
- 17: Started work on Student Directories today - seems funny having "12" by my name.
- 18: Game tonight was with Central. Imagine the thrill when we won! Wow!
- 19: Received tickets to the fair today. School is dismissed Monday.
- 23: Y-Teens in the auditorium today. Planned the Y-Teen induction for Thursday.
- 24: Horizon Club meeting after school today. This senior year is a mighty busy one!
- 25: Y-Teen dinner tonight. Don't know what to wear!
- 26: Game tomorrow with Catholic High - the half-time will be topped off with the crowning of the Band Queen.
- 29: Man! We start our Vocational Aptitude tests today. We're getting a new club - Hi-Y, for boys only.
- 30: Horizon Club meeting today. Personal Improvement classes start today.

OCTOBER, 1958

- 2: I'm so excited! Tonight at the annual bonfire they're announcing football queen candidates! Don't think I can live until the Football Queen of 1959 will be announced in pep assembly tomorrow.
- 3: Everyone showed lots of emotion when the queen was announced - you should have seen those tears! Dance tonight after the game.
- 6: Had five delicious doughnuts after school today. I must go on that diet-----

tomorrow.

- 7: Elected Senior Class officers during Unified Studies. Well, the Singleys have done it again. Ed is president of the "O" Club and Jack is Sr. Class president. Took orders for the directories.
- 8: Took back proofs for Senior pictures today. They weren't very good. Oh, well!
- 9: Our boys were so sad when they lost to Northwest tonight. They weren't the only ones.
- 10: None of these P.M.'s speak, anymore. It was never like that when we pledged.
- 11: Bought some shampoo from the Student Council to help send our officers to Florida. Play Pro assembly, "Evolution of the Egghead" was given. Funny!
- 13: Juniors start their achievement tests. Tough break!
- 14: The Sophomores elected six girls to Courtesy Club today. I imagine they're feeling tops! I know I did when I got it.
- 15: Boy - the tickets are going like mad for the carnival. It's going to be better than ever with our theme being "Frontier."
- 16: We beat Grant tonight! I've never seen our boys as excited as they were! Just imagine! They were first in the conference and sixth in the state, and we beat them. This means we are now first in the conference. Had Courtesy Club meeting. We usher at P.T.A. Open House.
- 17: Everything at school today was a jumble - the carnival was tonight and everyone was excited about it. We had a honk parade after school to advertise it. Everything was grand. The floor show was terrific!
- 20: Hallelujah! Today we found out we get out of school Thursday and Friday. What a blast!
- 21: Y-Teen meeting. Band won first place in class "A" competition at Central State marching contest last Saturday. Great!
- 23: Well, we had a ball today! All of us (the Norkets) went on a chartered bus to Stillwater for the game. First, we decorated the buses, and then everyone ate in Stillwater and went to the game. We won! Formed a tunnel for our boys to go through when they went to eat afterwards, but the bus ruined it when that crazy bus driver tried to ram through half our girls. After the boys settled down to eat, the girls adjourned to the Pizza Palace for their food.
- 27: Junior Class elected officers. You should have seen their election. Melvin Furd was elected secretary, I believe. That is, until Mrs. Clay discovered no one there was named Melvin Furd.
- 29: Started getting memberships for P.T.A. today, so we can make Topper. Sure hope we do, so we can have some films. Started project for electing "Officials for a Day."
- 31: Made "Topper" today. Also had a pep

assembly. The Tri-Sci Club had Dr. Allen J. Stanley of the Psychology Department of the Oklahoma University Medical School as their guest at the meeting after school. Played Southeast tonight. We lost because of one boy on their side. You know who!

NOVEMBER, 1958

- 4: Good gosh! This week is really going to be a week. We're going to have so-o many activities through the week to let our boys know we're really behind them for this Harding game. It sure is exciting. The food at the Horizon Club installation was great! Had pizza at Jack Sussy's. I'm full!
- 5: Had a Norket meeting. We put up a sign in the front hall and down by the boys' gym—also on their door to promote pep and enthusiasm for the game. OH! We all met and took our eagle with the Viking spear through it to Harding tonight. Painted the sidewalks up, too. Made two signs to put in the ground on poles. It was absolutely BEAUTIFUL when we left. Was fabulous fun, also!
- 6: Had assembly today. About the peppiest yet! About five minutes before school was out all the Norkets formed a tunnel from the boys' locker room to the front hall. The boys came through the tunnel when the bell rang. Tonight we made the pledges carry the eagle around to the other side with our spear sticking straight through the heart. Sang "Dragnet" for the Harding pep club while they held the eagle. I sure felt funny when we lost after all we had done to promote everything.
- 10: Ninth grade started Family Relations Clinic today. Some were sure embarrassed. By the way, we got caught! Mr. Greene called the cheerleaders attending the Harding painting to the office. He wasn't very proud of us. We have to pay for having the paint cleaned off the walks. Learn the hard way, don't we? Went to Ben Shaw's Modeling School with Horizons. They served us food and then wouldn't let anyone leave without paying for the free? food.
- 12: Started selling Y-Teen Christmas cards today. Also, the Student Directories arrived. This is the first time we've ever gotten them this soon.
- 13: Our last football game was with Edmond tonight. We won! It was raining, but everyone seemed to attend even though the weather was bad and it was at Edmond. Just think, our last time to be a part of a football game at good ole Northeast.
- 14: Nominated girls for D.A.R. award. Had "After the day of the game dance." I sure wish I could win a prize at these things. Everyone else always seems to.
- 16: Norket initiation for pledges today. Bet they were glad to finally become members after all the pledging they had to do.
- 18: We had a "Topper" film. It was fabulous—*The Long Gray Line*. But it was so sad at the end. Almost everyone came out with tears in his eyes.
- 21: Had Senior High Honor Society today. I finally got those dues paid. Football

Party is tonight. Hope speeches and everything are good. P.S. — They were!!

- 25: Can't figure out who to invite to the Y-Teen Christmas formal. Think! Had our first social committee meeting to plan the dance. I'm in charge of the decoration for walls and ceiling. Guess what! We won 2nd in the speech tournament at Enid.
- 26: Had the Thanksgiving assembly this morning. The choir was excellent! Better this year than ever. So are the speech students, I think. Couldn't have an assembly without them.

DECEMBER, 1958

- 1: Seemed odd to go to school today, after our Thanksgiving vacation. But it won't be long until we're out for Christmas. Just two weeks. Yearbook assembly is getting under way. Hope it is good — everyone has worked so hard on it. We also made our first yearbook deadline. Horizon helped decorate tree at YWCA.
- 2: Won our first basketball game tonight. Hope our team's as good as we expect.
- 5: Had pep assembly for the game with Southeast. We lost! But, we did play a good game and we can't win 'em all. Had a dance at the center after the game. It was lots of fun!
- 8: Decorated Christmas tree in front hall. It's the biggest thing I ever saw in my life.
- 12: Played John Marshall. We lost! Drat! But the game was so close and exciting. Wish we could have been on top with the highest score, though. People are beginning to file to run for second-semester Student Council offices. Power to them! Maybe someday I'll go into politics for real. The dance after the game tonight was a huge success. Seems like all our boys are beginning to like to dance. Finally!
- 15: Y-Teen meeting. Elected the Y-Teen Guy. I can hardly stand the suspense of who it is.
- 17: Norket meeting. Also, the Viking Varieties committees met and selected "Cloud Nine" for the theme this year. What will they think of next? Sounds good, though.
- 18: Had Christmas assembly. With Miss Smith and Mrs. Gifford producing, it really was marvelous.
- 19: Had basket assembly — I hope the people who get them enjoy them as much as we enjoy doing them. Ours was very artistic! Started our vacation today. Have until January 5. Feel like I'm getting out a year.
- 20: Went down to Biltmore Hotel to decorate for dance. Everything was fabulous. Hope everyone liked the dance. Went to Sussy's afterwards.
- 25: Had best Christmas ever — and I'm so full that I can barely move.
- 31: Spent a great New Years' Eve. Went to a party, a preview, and then to eat. Got home awfully late.

JANUARY, 1959

- 5: Came back to school — dull! Put up posters for the campaign elections. . . I'm so excited! They won't be far away.
- 6: Played Classen. They won! Bad way to

start a new year.

7: Yearbook assembly today! Was a variety assembly. And — everyone just loved it!

8: Played Norman tonight. They reversed the tables and beat us — dad gum it!!

9: Had campaign assembly. They are a lot different than ever before. Instead of having skits, etc., we had speeches on each candidate's different platforms. It was real interesting! Went to the wrestling match after school. We won over Central. I wish we could have had wrestling here before this year. I just love it.

12: Had elections. Went to game with Southeast. We lost. Wish our luck would turn!

13: Run-off election today. So far I'm very happy with the winners. Imagine that they are, too. All are excited to find out who got Nordlys King and Queen.

14: Had meeting to decide what to do in the Viking Varieties. Here goes a lot of work!

16: Girls "O" Club have their trip planned, already. Bet they have fun! Played Harding at Harding. They won! We were ahead most of the game, though. Checked potato chips out to give to people donating to the polio fund tomorrow.

19: Had Courtesy Club meeting to decide who was to usher at the all-school play, *Letters to Lucerne*.

20: Senior meeting — no ditch day! Sure made everybody mad! Played Central. They won!

22: Went to see *Letters to Lucerne*. Honestly, this was the best school play ever seen. Think all agreed to that. Wrestled Southeast after school.

23: School was dismissed at 2:35. Just messed around and went bowling. Went to game at John Marshall. They won!

24: Went to Howdy Hop! Crowned Mr. Howdy and Miss Hello. Won a pizza at the drawing. Was so good!

26: Began second semester — half a year to go.

29: Started tournament at Edmond today. Beat Seminole! Hope we win tomorrow. Went to symphony today. Got out of sixth hour.

FEBRUARY, 1959

2: Elected home-room officers — finally made yearbook deadline! Just one more to go. Hope it is as big a success as we think it will be.

3: Played Capitol Hill here — we won! Our luck has changed. At last!

4: Had election of Norket officers. There were a lot of tears and a lot of smiles.

5: Band assembly! Mr. White must be proud of his outstanding musicians.

6: Pep assembly went off good — had our Pancake Supper and played Central immediately afterwards. Imagine! We're the only ones to beat Central so far this year in basketball — Nice? Yeah! Our luck changed!

9: All the Seniors started their Family Relation Clinic today — they last until Thursday. Huh oh!

11: Went to wrestling match after school. Wrestled U. S. Grant! Won!

12: Senior High Honor Society met today.

Elected second-semester officers.

16: Assembly advertising "Black Magic" show given by band parents. Had Courtesy Club meeting after school. Elected officers.

17: Occupational groups started today. Everyone seemed to enjoy them. Went to see "Black Magic" tonight. It was very different. He hypnotized people and even made one girl float. Went to Beverly's.

18: Went to Faculty — "O" Club basketball game after school. "O" Club won, but the Faculty played well and lost by only two points. Their cheerleaders deserved a hand, too! I especially liked "Chew Tobacco!"

19: The Brotherhood Assembly today was good! There were three religions represented.

21: Played Grant at Grant. Lost! Dad gum it! That place is the hardest thing to find. We actually went to the airport trying to get there. Elected Dream Boy after school!

MARCH, 1959

2: Played John Marshall in tournament tonight. Lost! Last game!

16: First baseball game of the year — so excited! We wore our new uniforms for the first time. Everyone liked them.

20: Had our Norket Basketball Party! Crowned Pin-Up Boy!

26: Easter assembly today. Was quite impressive.

27: Out for Easter. Whoopee!

APRIL, 1959

1: P.T.A. film was given. This is the second one of the year for Topper. Went to track meet. Love them!

3: The day's finally passed! Had Viking Varieties tonight. During the intermission the Viking Varieties Queen and King were crowned. It was a huge success and everyone enjoyed every moment. Nice!

24: Had another pay assembly. Was marvelous!

28: Had campaign assembly. Wonder who will take over offices next year? Beginning to wonder when Nordlys King and Queen will be crowned.

MAY, 1959

2: Went to Jr.—Sr. Prom in the Hall of Mirrors. Everyone looked beautiful! Had a blast! Wow!

7: Sr. High Department Awards were given — on the 11th we'll find out who got All-School Awards.

15: Senior assembly was today, and it was awfully good! But sad, as always. Went to the All-Sports Banquet. Very nice — food was marvelous!

19: Had installation assembly — guess this is the last time we'll take the oath to the school.

21: Athletic awards were given.

22: Started Sr. Cap and Gown rehearsals today. Our Senior Breakfast was delicious! I sure hate to leave all the many friends we've all made. Hope they take good care of Northeast!

24: Senior Sermon was held today. Felt strange to be walking down the aisle instead of watching others do it. Don't want to leave all my friends!

27: Graduation!!!! Bye, Northeast! Take Care!
